Introduction to IPSF

IPSF is a global federation of pharmacy and pharmaceutical students as well as recent graduates.

IPSF aims to aid development of principled, knowledgeable and skilled pharmacists that improve human lives and global health.

Basic facts

- Formed in London in 1949 with 8 member countries:
Austria, Australia, Denmark, Iceland, Ireland, the Netherlands,
Switzerland & the United Kingdom
- Has grown to represent over 350,000 students and recent graduates from over 80 countries worldwide

IPSF Education Initiatives

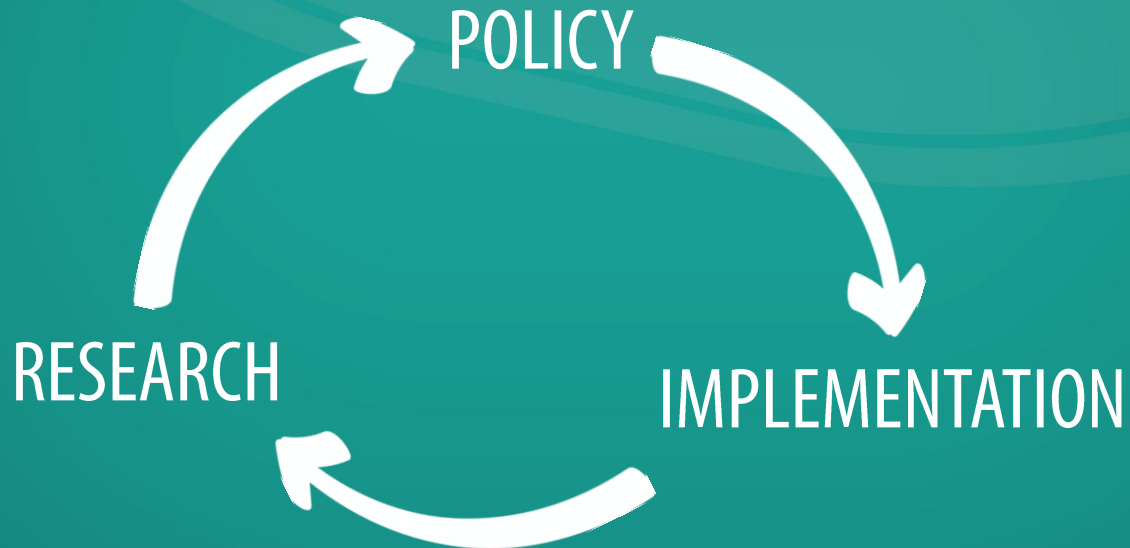

1. Progressing Pharmacy Education

- *Moving On* is IPSF's series of original questionnaire-based research projects
 - *Moving On I*
 - Academic Mobility (Bosman et al. Pharm. Edu. 7:177-81, 2007)
 - *Moving On II*
 - Students' Perception on their Education
 - *Moving On III*
 - Emerging Pharmacists and their Intention to Migrate
- **Student Learning Experience Questionnaire (SLEQ):** how students perceived their learning experiences throughout their degree?
- **Pharmacy Education Equivalency Booklet**
- Collaboration with the School of Pharmacy, University of London and FIP Education Initiatives

2. Extracurricular Learning

- Rich scientific and educational programme at IPSF events and in collaboration with stakeholders
- Educational Symposium
“Developing Pharmaceutical Care through Collaborative Practice”
- Scientific Symposium
“Personalised Medicine – Global Healthcare for an Individual Patient”
- various Workshops
- New modules: Research Methodology, Patient Safety, Bioethics, Policy Making

2. Extracurricular Learning

- Patient Counselling Event (PCE)
 - Organised annually at the IPSF World Congress and also locally and nationally
 - Patient Counselling Booklet: Counselling, Concordance, and Communication - Innovative Education for Pharmacists.
- Clinical Skills Event (CSE)
 - Organised annually at the IPSF World Congress and also locally and nationally
 - clinical problem-solving, verbal and written communication skills, and to promote the role of the pharmacist in patient care
- Compounding Event

2. Extracurricular Learning

- Leaders in Training (LIT)
 - three components: global leadership, health diplomacy and policy making
 - on-line platform and live events
 - to build capacity of future pharmacists to take global health leadership roles, engage with policy making and global health diplomacy
 - to ensure continuous development of prospective pharmacy leaders and to equip them with management skills required in a dynamic setting of a global organisation

2. Extracurricular Learning

- Student Exchange Programme (SEP)
 - Annually over 900 students worldwide undertaking professional placements abroad
 - Many more involved in hosting overseas students
 - Over 65 countries actively on board
- Professional internships through IPSF's network
 - World Health Organisation
 - International Pharmaceutical Federation
 - International Labour Organisation, World Intellectual Property Organisation

2. Extracurricular Learning

- Core Values
 - atmosphere of respect and equity
 - cultural sensitivity
 - professionalism
- Career Exhibition
- Public Health Campaign – orientation at patients
- Joining IPSF delegation
 - World Health Assembly, WHO Executive Board Meetings
 - Efforts at United Nations Headquarters in Vienna, Geneva & New York
