### Partner: Czech Chamber of Pharmacists

INVESTICE DO ROZVOJE VZDĚLÁVÁNÍ

# Aim of the project

Development of an evaluation and communication tool

between the student and the faculty during the final year.

### How did we make it?

- How: via Moodle (e-learning platform)
- Benefits:
  - Communication with students
  - continuous/final assessment of knowledge
  - Distribution of additional data and tasks when needed (campaigns)
  - Learning tool (extra lessons)
- Real time + online + staff saving
