# Engaging in New Methods of Teaching and Assessment in Pharmacy Education

This workshop will actively engage participants in activities where they can learn and practice developing strategies in the following areas of teaching and assessment:

1. Teaching, Learning, and Assessment Cycles
2. Using Backward Design to Develop Teaching and Assessment Methods with the "End in Mind"
3. Assessing Success Through the Use of Key Performance Indicators
4. Taking Inventory of and Identifying Key Resources Needed to Implement Teaching and Assessment Strategies

## **Dr. Mike Fulford, PhD**

Director of Assessment, College of Pharmacy at the University of Georgia  
Educator, Entertainer, and Consultant

- Current Chair of the Academic Affairs Committee for AACP
- Past Chair of the AACP Assessment SIG
- Presenter at several AACP Institutes focused on accreditation and assessment.
- The Lead Author on the CAPE Assessment White Paper, *Are you CAPE-ABLE? - An Assessment Blueprint for Learning Experiences*.
- Excellence in Assessment Award in 2014 from AACP for helping lead the effort to assess and improve professionalism in the PharmD program at UGA.

## **Dr. Lauren Schlesselman, PhD**

Executive Director for Faculty Development  
and the Associate Director of the Center for Excellence  
in Teaching and Learning at the University of Connecticut

- Oversees the departments for instructional design, faculty development programs, faculty consultation, and educational technology, along with the Writing Center, Quantitative Center, and Testing Center.
- Past Associate Dean for Academic Affairs and Associate Clinical Professor in the UConn School of Pharmacy.
- Associate Editor for the *American Journal of Pharmaceutical Education*. Past member of the AACP Programming Committee, Chair of the Assessment SIG, Chair of the Curriculum SIG, and chair of the Laboratory Instructor SIG.
- Freelance medical writer for nearly 20 years.

Participants in the workshop will be fully engaged in case studies, small group work, and guided activities. These activities will both simulate teaching and assessment methods presented and offer opportunities for participants to identify and develop ways to implement these strategies at their institution.
