ABOUT MALTA

Situated in the Mediterranean, Malta has an ideal climate and scenery which has long been favoured by students and tourists alike. The island offers a balance between traditional hospitality and a modern lifestyle and boasts picturesque scenery with various unique locations. Malta is rich in historical sites such as the Megalithic temples, which are amongst the oldest standing structures in the world, museums and religious sites. Malta offers an unrivalled perspective for all ages resulting from hundred of years of occupation by different empires and nations throughout history.
