

## **PRESENTATION GUIDELINES**

### **INSTRUCTIONS FOR ORAL COMMUNICATIONS**

The default content will usually be created using PowerPoint. Presentations must be prepared using 4:3 aspect ratio with a panoramic orientation and it last 10 minutes (except oral communications on Thursday morning that it last 5 minutes). This timing must be strictly respected.

You must be in the room to save your presentation in the room's computer, 10 minutes prior the beginning of the session.

### **INSTRUCTIONS FOR POSTER PRESENTATIONS**

Posters will be displayed throughout the conference from Wednesday to Friday. The maximum size of poster is 1.20 (high) x 0.90 (wide) m. There is no template for posters. The space reserved for each printed poster will be labelled with the poster number assigned at the conference venue.

For any other questions regarding your oral or poster presentation, please contact Technical Secretariat through the [contact form](#)
